Heard Shri Badar, the learned counsel for the applicant and Mrs. Joshi, the learned Additional Public Prosecutor for the respondents.

The applicant is undergoing sentence of imprisonment for life and he is seeking extension of parole granted vide Judgment and Order dated 19th December, 2005. The extension is sought on the ground that there is need of the medical treatment to his father. According to the applicant he tried to take steps for admitting his father for medical operation of the eyes during the period of parole but in the meanwhile, the niece of the applicant expired and the applicant also suffered from third degree internal bleeding piles with

Aneamia and as such the surgical operation of the father of the applicant could not be performed. In support of the application, the applicant has filed certificate issued by the Khatri Hospital to show that he was suffering from third degree internal bleeding piles with Aneamia. He has also filed certificate issued by the Eye Surgeon fixing the date of the operation of his father on 14.2.2006 as per his convenience.

Considering the facts and circumstances, we find that this is a fit case for extension of period of parole. However, we are not inclined to grant extension of parole for the period of 30 days as prayed by the applicant, as the applicant can approach the concerned Doctor to get an early date. Under such circumstances, it is just and proper to extend the period of the parole for two weeks from the date of expiry of the period of parole granted vide judgment and order dated 19th December, 2005.

The application is disposed of in the aforesaid terms.

Hamdast allowed.
